

# Great prices on Virnig attachments!

Performance attachments trusted across construction, ranching, and forestry.

V60 Root Rake Grapple (78")  
Series 23 pin-on teeth dig out roots and rocks, while cylinder guards protect against wear.

V60 Scrap Grapple (84")  
Solid-bottom design with reinforced bracing hauls bulky debris and withstands demolition cleanup.

72" Pick-Up Broom  
Adjust bristle height easily and swap wafers without disconnecting hoses for quick, efficient sweeping.

84" Pick-Up Broom  
Cover more ground with every pass, with optional gutter brush and water kit for better dust control.

72" V50 Open Front Brush Cutter  
Compact width is perfect for tighter spaces and smaller skid steers while still handling heavy brush.

78" V50 Open Front Brush Cutter  
A versatile size that balances coverage with maneuverability for all-around land clearing.

72" Power Rake 25 GPM MAX  
Bi-directional operation with 25° angle adjustments makes it ideal for versatile site prep.

84" V50 High-Flow Open Front Brush Cutter  
Extra-wide path clears large areas fast, with high-flow motor options for nonstop cutting power.

84" V60 High-Flow Industrial Brush Cutter  
Reinforced for industrial jobs, this model delivers maximum torque for continuous heavy-duty clearing.
