# BUILD CAPITAL USING YOUR CURRENT EQUIPMENT

At Kirby-Smith, our finance managers are here to help you with securing capital dollars for more than just your new and used equipment acquisitions.

Let us use our 30 + years of combined knowledge and experience to help you GROW!

At Kirby-Smith, we have partnerships with many lenders. Together with these partners, we can offer a wide range of refinance solutions to help you:

- decrease your monthly capital equipment expenses
- lower your current rates
- pull out your cash equity
- improve your cash flow
- free up your bank line for use in other areas of your business.

We can help you with all types and makes of construction equipment. We offer faster than average turn around, very competitive rates and longer terms for qualified credits.

## Other ways Kirby-Smith Finance can help save you money:

**Construction Equipment Insurance** – Protect your investment with our comprehensive Physical Damages Insurance Program.

**Extended Warranties** – Significantly reduce your out of pocket cost for future repairs with an extended warranty.

**Repair Cost\*** – Need to repair a machine, but capital is tight? Let us finance your repair bills for you! (Only available with select manufacturers)
